#### **Royalty on Crude Oil**

\*71. SHRI KESHAB MAHANTA : Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) the details of existing rate of royalty paid for crude oil;

(b) whether there is any proposal to increase the rate of royalty; and

(c) when the rate was revised last and the norms followed for such revision of royalty?

THE MINISTER OF PETROLEUM AND NATURAL GAS (SHRI JANESHWAR MISHRA) : (a) to (c) Under the provisions of the Oilfields (Regulation and Development) Act, 1948 the Central Government shall not enhance the rate of royalty in respect of any mineral oil more than once during any period of three years. After considering the recommendations of the Eswaran Committee and discussions with the concerned State Governments, the rate of royalty on crude oil was last fixed at Rs. 481/- per metric tonne for the period 1.4.1993 to 31.3.1993 in February, 1993. For the period 1.4.1993 to 31.3.1996, an 'on account' payment @ Rs. 528/- per metric tonne towards royalty on crude oil was made subject to adjustment on notification of the final rate of royalty and finalisation of crude price in due course. This 'on account' rate of royalty has been increased to Rs. 578/- per metric tonne with effect from 1.4.1996.

For the three year period (1993-94 to 1995-96), the actual weighted cost of production will be worked out on the basis of the figures audited by the Comptroller and Auditor General and the final rate of royalty notified on this basis and necessary adjustments made against the 'on account' payments already made.
